

Supporting Schools and Families in Blaenau Gwent

*Helping children, young people
and families to feel **confident**,
safe and **supported**.*

We are developing a NEW and improved way of working with schools, families and young people across Blaenau Gwent.

This approach is designed to be more accessible, relationship-focused, and centered around early help and prevention.

Why are we changing?

We know that face-to-face support makes a real difference for families. This new model allows us to be more visible in communities and provide support in welcoming, local settings.

What does this mean for you?

Community Engagement Officers (CEOs) Tom and Kirsty (*above*) will be available in local hubs to offer advice, support, and guidance in a friendly and approachable way.

Support areas:

- > Ebbw Vale
- > Tredegar
- > Brynmawr
- > Abertillery

**Working
together
for stronger
and happier
communities!**

We can help

With your support needs, parenting programmes, coffee mornings, information and advice, Families First projects and connecting you to the right services.

For more information speak to your school or please contact the **Blaenau Gwent Family Support Hub** on Tel: 01495 315700 (*option 2*)
