

Inspiring and exciting all to become respectful life-long learners.

#BestofBeaufort

The Four Purposes

The Four Purposes are at the heart of our curriculum and central to our planning process. Pupils have explored the purposes when learning about Curriculum for Wales. As part of our work with the children exploring the four purposes, the children requested to create images to depict the purposes around our school. They used our Rights and Respecting Rabbit to develop this. The images below are the outcome of collaboration of our year 5 and 6 pupils.
